

Company Profile

Overview

ec link develops and hosts Web applications for credit unions.

CINCO Credit Union has outsourced its Information Systems to *ec link* since 1998. *ec link* provides all IS functions from IS strategy and budget development to daily computer operations. *ec link* has helped Cinco select off-the-shelf computer applications and built custom applications. This relationship with Cinco gives *ec link* the ability to see Information Systems issues from the credit union's point-of-view.

Other clients include 1st Advantage Federal Credit Union, Allegacy Federal Credit Union, Arizona State Savings and Credit Union, Century Federal Credit Union, Credit Union On-Line, Credit Union of Johnson County, Knoxville Teachers Federal Credit Union, NASA Federal Credit Union, Ohio Credit Union League, Prime Financial Group, River Valley Credit Union, Southeast Financial Credit Union, TEG Federal Credit Union, Wright-Patt Credit Union, and Wright-Patt Financial Services.

Products and Services

eStatements gives your members immediate access to their account statements and saves you money on statement printing and mailing costs. You can include eStatement Stuffers, which are more powerful electronic versions of your printed statement stuffers.

ecBoardSite™ provides your Directors with secure, on-line access to Board documents and improves meeting effectiveness by enabling on-line discussions and voting.

ecIntranet™ enables your staff to quickly find current policies and documents on-line. Authorized users can add or update information and forms at any time—no special Web skills required.
